

Investigating uncertainty in using outcrop data to characterise fracture networks

Workshop exercises

Part 2

(working in pairs or small groups)

User IDs:

Part 1B: Circle 1 (*radius 1 m*)

Scanline Circumference		Fracture Nodes			
n(C)	Time taken	n(i)	n(y)	n(x)	Time taken

...Any Comments?

Part 1B: Circle 2 (radius 1 m)

Scanline Circumference		Fracture Nodes			
n(C)	Time taken	n(i)	n(y)	n(x)	Time taken

...Any Comments?

Part 1B: Linear Scanline

Time taken: _____

...Any Comments?
