

SAMPLE	EASTING	NORTHING	SHORT DESCRIPTION
SILICICLASTIC ROCKS (LOWER PARAUTOCHTHON)			
CR-ZR-01	678159	4569706	Greenish-grey fine grained massive quartz lithic sandstone
MEI-ZR-01	683703	4569953	Middle-grained greyish lithic sandstones with sedimentary laminations
GIM-ZR-01	674114	4644518	Lithic microconglomerate, lithic-sandstones and phyllite rhythms. Light brown colour
EC-PO-293	675598	4642546	Quartz lithic sandstone; impure grey quartzites with <10cm clasts
AD-PO-66	673233	4643613	Quartz lithic sandstone and phyllite rhythm. Feldspar and quartz eyes: pyroclastic?
AD-PO-48B	621227	4596860	Massive fine grain sanstone
MIR-41	681845	4609510	Quartz lithic sandstone and phyllite rhythms (cm-dm)
AD-PO-49	645744	4594230	Quartz lithic sandstone and phyllite rhythms (cm-dm)
AD-PO-55	644424	4595258	Quartz lithic sandstone and phyllite rhythms. Fining upwards
AD-PO-57	642881	4597741	Quartz lithic sandstone and phyllite rhythm (cm-dm)
PICON-2	601064	4844313	Fine-grained black quartzites with pyrite and black pelite laminations
VOLCANIC ROCKS (UPPER PARAUTOCHTHON)			
P-381	674426	4603329	Intensely foliated white rhyolite with quartz phenocrysts
P-385	681845	4609510	Foliated dacites with quartz, feldspar and plagioclase phenocrysts
VOLCANIC OLISTOLITHS (LOWER PARAUTOCHTHON)			
EC-PO-337	692792	4642324	Rhyodacitic pyroclastic tuff, quartz eyes and shards. Inside quartz lithic sandstone
EC-PO-419	663291	4643585	Acidic pyroclastic tuff, quartz eyes and S2 pervasive foliation
PEI-1	706355	4638642	Welded rhyolitic tuff with disseminated pyrite. Reddish when weathered.
RAB-1	730014	4628291	Whitish rhyolitic pyroclastic tuff. Quartz eyes and shards. Inside grey fine sandstone
