Received and published: 2 March 2010

We are happy to see that the reviewer appreciated our work. We are grateful for his comments and the annotated manuscript, which both will allow us to further improve the manuscript.

Point 1: OK, we will add such a list.

Point 2: very nice suggestion. We will add it in the Discussion. Thanks a lot.

Point 3: OK, we will improve the figure, add a table, and move the figure at the beginning of the manuscript, according to the suggestion from reviewer 1.

C53

Point 4: OK, we will expand a bit on ethylic alcohol, according also to comments from reviewer 1

Points 5 and 6: OK, we will make the changes in the text.
