Dear Dr. Tom Bleier

Thank you very much for your comments. We took into account these comments and put them into relevant places in paper. They are marked in green. We changed the title also by your advice for which we are very obliged to you. Besides we corrected English language as we could. At the present time we are going for comments from another referee after what we will know you with final variant of the paper.

With best regards On behalf of authors

Manana Kachakhidze
