Dear Editor

Since the online version that we posted last time only appears only first page of each files, we attach here the file of "response.for.referees" in supplement file.

Just in case that there is any problem, We send whole files to the secretary of Solid Earth, Anna Wenzel, by e-mail (anna.wenzel@copernicus.org).

If there is any question, please inform to me.

Sincerely

KEIJI JINDO
