

Interactive comment on “Simulation of seismic waves at the Earth crust (brittle-ductile transition) based on the Burgers model” by J. M. Carcione et al.

J. M. Carcione et al.

jcarcione@inogs.it

Received and published: 14 July 2014

You find attached the latex and pdf versions of the revised paper with all the corrections indicated by the reviewer Josep de la Puente. Regarding the figures, we have removed the old Fig. 2 and the rest are the same.

Please also note the supplement to this comment:
