Dear editor, I am writing this mail to request you about the possible extension of submission deadline of the paper to SE. You have notified me that the paper need major revision to be considered for publication in SE. We are working on it based on the comments of the reviewers. One of the reviewer need major correction and revisions on different parts of the paper. As a result, extended time is needed to accompany the interest of the reviewer. We found that it is difficult to rework the paper within the given time framework or short period of time. Therefore, we kindly request you to al-

C1270

low us time extension until Nov.20/2015 so that we incorporate all of the demands and enhance the quality of the paper. We appreciate your cooperation in advance
