Received and published: 16 November 2015

Dear editor and referees, We would like to thank you for the thorough reviews on our manuscript. All the comments of the reviewers have been addressed, either as rewritten and/or added text in the manuscript or rebuttal comments. Attached (supplement) you can find a reply to each comment/question (answers are in blue). We hope that this new version of the manuscript will satisfy entirely the requirements for publication in Solid Earth.

Yours sincerely, Anna Rogowitz and co-authors
