

Interactive comment on “Volcanic soils and landslides: the case study of the Ischia island (southern Italy) and relationship with other Campania events” by S. Vingiani et al.

S. Vingiani et al.

simona.vingiani@unina.it

Received and published: 13 February 2015

The authors thank the reviewer for the specific comments, suggestions and English corrections. They believe that corrections of some parts and rephrasing of some sentences were necessary and improved the clarity of the manuscript, therefore they addressed them systematically in the body of the manuscript. Moreover, after author's revisions, the manuscript has been submitted to a mother tongue for English editing. With best regards, Simona Vingiani.
