Received and published: 16 June 2015

Dear author and editor, I found the paper of great interest and of applied science. Also I missed some references and discussion about the yield and soil management. In general the paper is of good quality and I recommend publication.

see here some references of interest Singh, K., Mishra, A. K., Singh, B., Singh, R. P., & Patra, D. D. (2015).
