Interactive comment on "Precise age for the Permian-Triassic boundary in South China from high precision U-Pb geochronology and Bayesian age-depth modelling" *by* Björn Baresel et al.

M. J. Heap (Editor)

heap@unistra.fr

Received and published: 6 February 2017

Dear Dr. Baresel,

I've now had time to read your responses to the comments of both reviewers. I'm pleased to inform you that your paper "Precise age for the Permian-Triassic boundary in South China from high precision U-Pb geochronology and Bayesian age-depth modelling" has now been accepted for publication in Solid Earth. Please now upload your revised manuscript. Thank you for submitting your work to Solid Earth. We hope you consider us for your future submissions.

With kind regards,
