

Page, Line	Comments from Referees	Author's response	Author's changes in the manuscript
Editor Comment 1	Please remove the word "First" in the title	Ok.	The title was changed accordingly to the hint from the editor.
Comment 2	Add arrows or other symbols into the pictures and photomicrographs to help to reader to identify features you described in text and captions (e.g., fractures and bitumen in Fig. 6; all features the reader is supposed to see in Plates 1-6).	According to the hint of the editor, we will add arrows or other symbols for a better understanding.	Whenever possible arrows or symbols were added to Figure 6 and Plates 1 – 6. In some cases, it was avoided for reasons of clarity and where it was not necessary or reduces the quality of the image.
