Dear referee,

please accept the attached document as our reply to your comments. Our reply contains every remark/suggestion/question from your original review, our reply below and how we changed the text accordingly with quotations or the reworked figures. We appreciate that you have taken the time to read our manuscript and we have taken your remarks and comments seriously. We implemented your suggestions and have replied

C1

to each and every comment. Thank you for improving our manuscript which should be easier to access after the rework.

Sincerely Tobias Nickschick and colleagues
