

Interactive comment on “Joint analysis of the magnetic field and Total Gradient Intensity in Central Europe” by Maurizio Milano et al.

Maurizio Milano et al.

maurizio.milano@unina.it

Received and published: 25 April 2019

Dear Dr. Gillet

Thank you for the nice review editing, which we much appreciated. We have completed the responses to each reviewer comments, as you may find online.

Obviously, we modified the manuscript according to such comments, as you may verify in the attached file. Modifications are yellow-enlighted

Best Regards Maurizio Milano
