Received and published: 14 August 2019

We thank Carita Augustsson for her thorough review.

We have prepared three files to answer to her comments: 1) Reply to her general comments (a pdf file called "Response to reviewers-Augustsson") 2) Reply to her detailed comments (directly in the doc file she prepared- called "Answer to Comments") 3) A revised version of the manuscript showing the changes we made based on suggestions of both reviewers, including updated tables and figures.

Please find all three files in the attached zip file.
