Interactive comment on "Stress field orientation controls fault leakage at a natural CO_2 reservoir" *by* Johannes M. Miocic et al.

Johannes M. Miocic et al.

johannes.miocic@geologie.uni-freiburg.de

Received and published: 22 May 2020

Dear Mark Mulrooney,

We would like to thank you for your short comment which has helped to improve our manuscript. We have addressed the comments and suggestions in the revised manuscript and you can find detailed replies in the attached "Author replies to reviewer feedback" as well as how we implemented the changes in the manuscript in the "author-changes-tracked" document.

With best regards,

Johannes Miocic on behalf of the authors
