Received and published: 3 July 2020

My apologies for the confusion, but the previous Short Comment was submitted by the Authors, but inadvertently using the wrong ID. Please see that comment for our initial response to Reviewer 1. Again we thank the reviewer for his or her careful reading of our work, and helpful suggestions for improvement, and we will be preparing a final response along with our revised manuscript, in the coming weeks.

Sincerely,

John Hooker and Emily Hoyt
