Dear Mr. Karimpouli,

thank you for your detailed comments. Based on your comments, we were able to revise the manuscript in a targeted manner and thus improve it. We were particularly pleased to implement the suggestion to revise or create a summarizing illustration.

The final corrections of the manuscript will be indicated and marked in the attached PDF file. Furthermore, we highlighted in blue color the corrections in the manuscript.

C1

On behalf of all co-authors,

Yours sincerely, Martin Balcewicz
