

Comments to the author:

Dear Authors,

Based on the Topical Editor's report and overall assessment of the review process, I am pleased to accept your manuscript for publication in Solid Earth pending the few technical corrections as outlined by the Guest Editor.

Many thanks for choosing Solid Earth as a platform to publish your research.

Best regards

Federico Rossetti

Dear Executive Editor,

Thank you for your email. In the new version of the manuscript, we have accepted all the suggestions highlighted by the Guest Editor and made the technical corrections.

Many thanks for accepting our paper in the journal of Solid Earth.

On behalf of all co-author

Best Regard

Daniele Cirillo

Comments to the author:

Dear authors,

I'm happy to announce that your paper can be published in the Special Issue of Solid Earth journal.

Please, take note of these minor typos during the draft production:

- line 15: "and, at depth, by using..."
- line 21: replace "activity" with "seismicity"
- line 63: delete "," before "seismogenic faults"
- line 131: delete ")" before Cheloni et al., 2017)
- line 354: Brozzetti et al., 2017a

We have corrected all the typos above highlighted during the draft production.

Best regards,
M. Porreca

Dear Guest Editor,

Thank you for your attention and for your suggestion about the revision of our manuscript.

We are pleased that our work has been accepted in Solid Earth.

On behalf of all co-author

Kind Regard

Daniele Cirillo
